## Fire Equipment Servicing

Professional maintenance and servicing of fire equipment to ensure compliance with safety regulations and protect against fire hazards.

# The team behind the excellence

Frank & Megan,  
Your trusted partners

## Frank Tarahija

FMA Director

Frank Tarahija is a Tennant Creek based electrical and refrigeration specialist with nearly 15 years industry experience. Very early in his career Frank learnt of the value in providing top workmanship and great customer service – attributes that now form the backbone of FMA.

*“We take pride in delivering each project on time, within budget and to the highest of standards”*

Frank, FMA Director

## Megan Munckton

FMA Director

Megan Munckton is office manager at FMA. An experienced Registered Aboriginal Health Practitioner, well known across the Barkly Region, Megan and Frank are building FMA into the leading Licensed Electrical Contractor in the Barkly.

*“We’re dedicated to exceeding customer expectations in all aspects of service provision”*

Megan Munckton, FMA Director

## We Listen. We learn. We Deliver.

F.M.A Contracting works closely with clients to understand their needs and agree on the required outcome. We identify exactly what's needed to develop a workable solution with an accurate quote. Then we deliver on time and on budget.
